

BUDE SURF LIFE SAVING CLUB MEMBERSHIP DETAILS

JUNIORS

Junior: aged 11-16, Fee £57 includes SLSGB membership

NAME	
SLSGB Membership Number (if paid online)	

We are a surf life saving club and everything we do centres around swimming and life saving skills. We are a unique club and can only operate if everyone joins in and takes responsibility for helping the club.

EXPECTATIONS

To attend 80% of training made available to you. All our coaches are volunteers and it is expected that you are respectful to the coaches and that you give 100% effort. If you are ill or are away your parents must inform the juniors' secretary.

To take Surf Life Saving qualifications that are suitable for your age or to update existing qualifications. (Competency test fees are included in membership fee.)

To compete for Bude SLSC: We actively encourage members to represent Bude club at surf life saving competitions.

To assist with fundraising activities: We have several fundraising events such as the Poldark Fayre, surf life saving demonstrations and the Christmas day swim and expect all members to help.

To have a parent who is willing to help by coaching or chaperoning or in a specified role. We cannot include as many junior members as we do without the active help of parents.

To take part in allocated beach patrols if you are 14 years old or older by 31st August of the membership year. This is the reason that we were established and patrols are integral to our contribution to the community. Failure to attend patrols will affect your membership.

If you are not able or do not wish to take part in all club activities as listed above, then this may not be the right club for you. Please discuss any issues with a committee member.

We confirm that we understand the expectations and that the junior member has a parent who is either a helper-coach or full active member of the club.

Signed by: Junior _____ Parent _____

Parent name: _____ Date: _____
